2. Objectives

1. Provide immediate food security to 15 identified widows through distribution of rice and cooking oil.
2. Supply essential household items (handbags, plastic buckets with supplies) to improve daily living conditions.
3. Deliver direct financial assistance via cash envelopes to address individual urgent needs.
4. Foster community connection and emotional support through a gathering with prayer and companionship.
5. Establish ADA's multi-pronged outreach model combining material, financial, and emotional support.
