ADA Bamenda Girls Dignity & Menstrual Health Outreach

FIELD	DETAILS
Project Date	June 27, 2026
Location	Bamenda, North-West Region, Cameroon
Target Beneficiaries	25 girls
Budget	\$1,000 USD (~600,000 CFA)
Status	Proposed
Focus	Menstrual health, hygiene, dignity items, and short education session

1. Terms of Reference

Background

Menstrual hygiene remains a basic dignity issue for adolescent girls, especially where pads, underwear, soap, and safe storage items are expensive or inconsistent. This outreach is designed to respond to that need in Bamenda with a simple, practical, and respectful package that supports 25 girls with both supplies and information.

Purpose

To provide 25 girls in Bamenda with menstrual dignity kits, hygiene items, and a short guided session on puberty, menstrual health, and self-care.

Objectives

1. Distribute dignity kits to 25 girls.
2. Provide menstrual hygiene education in a safe, supportive setting.
3. Equip girls with basic items that help them manage monthly cycles with confidence.
4. Encourage open, age-appropriate conversations about body changes, hygiene, and dignity.
5. Document the outreach clearly for sponsor review and future reporting.

Target Group

- 25 girls in Bamenda
- Priority should be given to girls from vulnerable households, schoolgirls with limited access to hygiene supplies, and girls who would benefit from a practical support package

Proposed Activities

ACTIVITY	DESCRIPTION
Registration and welcome	Simple attendance, consent, and distribution check-in
Dignity kit distribution	Pads or reusable pad kits, underwear, bucket/basin, soap, tissue, and other hygiene items
Health talk	Short puberty and menstrual health session led by a trusted female facilitator, nurse, teacher, or counselor
Q&A session	Private and respectful question period for the girls
Closing and encouragement	Photo documentation where permitted, closing remarks, and snacks

Expected Outcomes

- 25 girls receive dignity kits
- Girls leave with practical menstrual hygiene guidance
- Girls have items that improve comfort, hygiene, and confidence
- ADA has a clear attendance record, distribution record, and reporting trail

2. Budget

Budget Summary

BUDGET LINE	QUANTITY / NOTES	AMOUNT (CFA)
Dignity kits	25 kits, each with pads or reusable pad set plus underwear	200,000
Buckets or basins with lids	25 units for safe storage and hygiene use	87,500
Soap, detergent, tissue, and hygiene extras	25 girls, grouped purchase	62,500
Facilitator / nurse honorarium	One female facilitator for the health talk	45,000
Transport and delivery logistics	Purchase pickup, transport, and on-site movement	40,000
Snacks and water	Light refreshment for the girls	50,000
Printing and registration materials	Attendance sheet, consent forms, simple handouts	15,000
Venue / setup support	Chairs, table support, and basic setup needs	20,000
Contingency	Price changes or small emergency expenses	80,000
Total		600,000 CFA

Suggested Kit Contents Per Girl

- 2 to 3 packs of sanitary pads, or 1 reusable pad kit
- 2 pairs of underwear
- 1 small bucket or basin with lid
- 1 bar of soap
- 1 detergent sachet or small pack
- 1 tissue pack
- 1 simple menstrual hygiene information sheet

Budget Notes

- Local procurement should be used where possible to reduce cost and support the local market.
- If reusable pad kits are available at good quality and fair price, ADA can shift part of the pad budget into reusable options.
- If a venue is donated, the venue line can be moved into the contingency or additional kit items.

3. Reporting Template

Report Header

- Project name
- Project date
- Location
- Number of girls reached
- Budget approved
- Budget spent
- Implementing team

Narrative Report Sections

1. Summary

- One short paragraph describing the event and why it mattered

2. What ADA Provided

- List of items distributed
- Number of kits distributed
- Number of girls reached

3. Health Session

- Name and role of facilitator
- Main topics covered
- Questions raised by participants

4. Outcomes

- What changed for the girls
- Any feedback from teachers, parents, guardians, or the girls themselves

5. Photos and Evidence

- Attendance sheet
- Distribution photos
- Consent notes if needed
- Short testimonials

6. Financial Summary

- Budget approved
- Actual spend by line
- Variance

7. Lessons Learned

- What worked well
- What to improve next time

8. Next Step

- Follow-up support, additional hygiene education, or a second outreach if needed

Reporting Table Template

ITEM	PLANNED	ACTUAL	NOTES
Girls reached	25		
Dignity kits distributed	25		
Buckets/basins distributed	25		
Health talk delivered	Yes		
Snacks provided	Yes		
Budget spent	600,000 CFA		
Variance	0		

4. Monitoring and Safeguarding

- Use a female facilitator where possible.
- Keep the session respectful, age-appropriate, and private.
- Avoid exposing personal details in public photos or captions.
- Collect attendance and distribution records.
- Keep receipts for all purchases.
- If a girl requests follow-up support, note it discreetly and follow ADA safeguarding practice.

5. Short Donor Summary

ADA Bamenda will reach 25 girls on June 27, 2026 with dignity kits, menstrual hygiene items, and a simple health education session. The \$1,000 budget is structured to keep the project practical, private, and focused on dignity, hygiene, and confidence.
