1. Executive Summary

The Apoti Development Association (ADA) successfully delivered its largest event to date—a two-day Young Women Empowerment Conference held on October 27–28, 2024, at a church venue in Buea, South-West Region, Cameroon. Over 80 young women and girls attended the faith-based conference, which featured teaching sessions on faith, purpose, and personal development led by two female speakers. The event was delivered within budget at 1,180,000 CFA ($1,967), under the approved budget of 1,200,000 CFA ($2,000).

2. Background and Context

ADA has been empowering vulnerable communities in Cameroon since 2021 through faith-based programs supporting widows, orphans, and young women. This conference was conceived as a flagship event to reach young women and girls with messages of empowerment, faith, and purpose. It represents a significant milestone as ADA's largest single event.
