1. Background

Every year on Labour Day (May 1), ADA organizes a community environmental cleanup in Buea to demonstrate its commitment to community health beyond individual aid. Urban Buea faces persistent sanitation challenges including illegal dump sites, clogged drainage channels, and waste accumulation between residential buildings. This initiative tackles these issues through collective volunteer action.

2. Objectives

- Clear illegal dump sites along main roads in Buea
- Unblock drainage channels clogged with waste
- Remove garbage from between residential buildings
- Raise environmental awareness among community members
- Demonstrate ADA's community service model

3. Target Beneficiaries

Approximately 200 community members as indirect beneficiaries of a cleaner, healthier environment.

4. Activities

ACTIVITY	DESCRIPTION
Dump site clearance	Clear illegal dump sites along main roads
Drainage unblocking	Unblock drainage channels clogged with waste
