1. Executive Summary

ADA successfully delivered its first dedicated youth mentorship seminar for boys and male adolescents on October 26–27, 2025, at Full Gospel Mission Church in Buea. The two-day program engaged 30 young males aged 8–20 in faith-based mentorship, Bible study, and life skills training. Three facilitators delivered laptop-based presentations supported by 4 ADA volunteers. The program was completed under budget at 465,000 CFA (\$775) against a budget of 480,000 CFA (\$800).

2. Objectives vs. Achievements

Objective	Status	Notes
Provide mentorship to 30 male youth	✓ Achieved	30 participants attended both days
Deliver life skills training	✓ Achieved	Multiple sessions delivered via laptop presentations
Facilitate Bible study sessions	✓ Achieved	Youth engaged with open Bibles, took notes
Establish boys' mentorship program	✓ Achieved	Pilot successfully completed
Strengthen church partnership	✓ Achieved	Full Gospel Mission Church hosted and supported

3. Participants

- **Target:** 30 young boys and male adolescents
- **Actual:** 30 participants (100% of target)
- **Age range:** 8–20 years
- **Attendance:** Full participation across both days
- **Team:** 3 facilitators + 4 ADA volunteers (7 total)

4. Activities Delivered

Day 1 — October 26, 2025

- Opening and welcome by ADA coordinator
- Facilitator presentations on life skills (laptop-based)
- Bible study session — participants used provided Bibles
- Interactive discussions and note-taking
- Refreshments and fellowship

Day 2 — October 27, 2025

- Continued facilitator presentations
- Advanced Bible study and application exercises
- Life skills workshops
- Closing remarks and encouragement
- Group photo of all 30 participants outside the church
- Distribution of materials

5. Key Observations

- **Engagement:** Youth were highly engaged — observed holding open Bibles and actively taking notes during sessions
- **Facilitator quality:** Three facilitators delivered professional laptop-based presentations covering diverse topics
- **ADA branding:** Volunteer coordinator wore ADA branded shirt ("APOTI DEVELOPMENT ASSOCIATION — Love, Respect & Service — 1 John 4:8"), maintaining organizational visibility
- **Church alignment:** The church's 2025 mission banner — "Full Gospel Mission Cameroon 2025 MISSION — WORKING TOGETHER in the POWER of the HOLY SPIRIT IN OUR COMMUNITIES" — aligned with the seminar's objectives
- **Age diversity:** The 8–20 age range created a natural peer mentorship dynamic between older and younger participants
- **Historic milestone:** This was ADA's first program specifically targeting boys, expanding beyond the traditional focus on girls and women

6. Outcomes

1. **30 male youth** received 2 full days of mentorship and training
2. **Multiple facilitators** delivered diverse content via professional presentations
3. **Bible literacy** reinforced through hands-on study with personal Bibles
4. **Life skills** taught including personal development and responsible citizenship
5. **Church partnership** with Full Gospel Mission Church established for youth programming
6. **Documentation** completed — group photo of all participants captured
7. **ADA brand presence** maintained throughout the event

7. Financial Summary

ITEM	BUDGET (CFA)	ACTUAL (CFA)
Total	480,000	465,000
Variance		15,000 under budget
USD equivalent	\$800	\$775

Full financial breakdown available in the accompanying financial report.

8. Challenges & Lessons Learned

CHALLENGE	MITIGATION/LESSON
First time targeting boys — no prior template	Adapted existing girls' program framework; worked well
Wide age range (8–20)	Facilitators adjusted content delivery; older youth helped younger ones
Two-day commitment for young participants	Refreshments and engaging presentations maintained attendance

9. Recommendations

1. **Repeat quarterly** — Establish regular mentorship sessions for male youth

2. **Peer mentorship** — Pair older participants (15–20) with younger ones (8–14) for ongoing support
3. **Follow-up tracking** — Check in with participants at 3 and 6 months
4. **Expand partnership** — Explore additional church venues for broader reach
5. **Increase materials** — Provide take-home resources for continued learning

10. Documentation

-  Attendance register (30 participants confirmed)
-  Group photo (all participants, outside church)
-  Event photos (presentations, Bible study, activities)
-  Financial records

11. Conclusion

The Youth Mentorship Seminar successfully achieved all stated objectives, reaching 30 vulnerable male youth with faith-based mentorship and life skills training. As ADA's first boys-focused program, it demonstrates the organization's commitment to serving all vulnerable youth regardless of gender. The partnership with Full Gospel Mission Church provides a strong foundation for future programming. The project was delivered under budget, reflecting efficient resource management.
