

ADA 2024 Financial Stewardship Summary

ADA 2024 Financial Stewardship Summary

Organization: Apoti Development Association (ADA)

Registration: N° 415/G.37/D14/VolI/SAAJP

Period: January-December 2024

2024 delivery summary

ADA reported approximately **\$12,800 in programming** to **520+ beneficiaries** across **6 projects** in 2024.

The 2024 annual report records a portfolio of project spending across:

- Clean water infrastructure
- Emergency food relief
- Back-to-school support
- Young women empowerment conference
- Christmas giving

Public allocation model

ADA's current public allocation model targets:

- 80% program delivery
- 15% program operations
- 5% administration

This is a public stewardship target, not an audited expense ratio.

2024 cost indicators

The 2024 annual report includes:

- Overall cost per beneficiary: \$24.12

- Water well cost per beneficiary: \$14.72
- Education program cost per child: \$30.64
- 2024 budget variance: 2.0% under budget

Documentation

Project spending is documented through budgets, receipts, attendance lists, field notes, photos, financial reports, or close-out reports where appropriate.

Sponsor note

Sponsors needing deeper internal review can request project budgets, reports, and sponsorship-specific documentation before payment.

Published by ADA for sponsor and donor review.
