Purpose

This summary helps sponsors confirm ADA's basic legal identity before requesting deeper due diligence.

Public status

ADA is registered in Cameroon as a nonprofit association. ADA does not currently present itself as a registered charity in Canada, the United States, the United Kingdom, or the European Union.

Certificate

The registration certificate is available in the public resource library and may be shared with sponsors for internal review.

Sponsor note

International contributions are not represented as tax-deductible unless a qualified fiscal sponsor or registered charity partner is confirmed in writing. ADA can issue receipts, invoices, or sponsorship confirmations for records, but does not provide tax advice.

Published by ADA for sponsor and donor review.
