Women's Day Widow Outreach

FIELD	DETAILS
Reference	ADA/2022/003
Project Title	Women's Day Widow Outreach
Period	March 2022 (owner recollection)
Project focus	Women's Day outreach to widows
Financial status	Owner-recalled funding flow; not independently reconciled

Purpose

This revised copy records the project focus and supply categories confirmed by the owner. It does not reconstruct the original pre-project plan or independently verify delivery details.

The owner identifies the activity as a Women's Day widow outreach in March 2022. The recalled supplies were buckets, African fabric wrappers, soap, oil, foodstuffs, and bags.

Owner-recalled funding flow

The owner recalls that about **220,000 CFA francs was sent**, with about **5,000 CFA francs** used for withdrawal costs and about **10,000 CFA francs** for transportation. This leaves an estimated **205,000 CFA francs** for supplies. The amounts are approximate and have not been reconciled against receipts or account records.

Details not established in this review

This copy does not assert an exact event date or location, beneficiary count, quantities, unit prices, item-by-item allocation, cash assistance, actual expenditure, or remaining balance. The earlier itemized budget and delivery claims are omitted pending reliable project records.

This PDF was rendered from the markdown source in `public/docs/projects/widow-support-food-cash-mar-2022` using the same public generation pipeline that updates the downloadable budget sheets.
