Archive vs. public target

Within cap: 7
Adjusted: 8
Under review: 4

The chart counts all 19 rows by status: within cap, adjusted, or under review. It does not represent total spending. Aggregate totals are omitted because source rows mix approved budgets and reported actuals.

Projects under review

YEAR	PROJECT	REFERENCE	REVIEW NOTE
2022	Back-to-School 2022	ADA/2022/006	The previous financial schedule has been withdrawn. A revised record is under review; no numeric budget or actual expenditure is published here.
2021	First Widow Home Visits	ADA/2021/001	Owner recalls about 110,000 CFA spent, including withdrawal costs; no reconciled budget or actual is available. The approximate difference is not a verified balance.
2022	School Supply Distribution	ADA/2022/001	Owner recalls 215,000 CFA sent, about 5,000 CFA withdrawal costs, and about 10,000–15,000 CFA transportation, leaving an estimated 195,000–200,000 CFA for supplies. These figures are not independently reconciled; the category allocation is illustrative only, not actual expenditure.
2022	Women's Day Widow Outreach	ADA/2022/003	Owner recalls about 220,000 CFA sent, about 5,000 CFA withdrawal costs, and about 10,000 CFA transportation, leaving an estimated 205,000 CFA for the listed supplies. These approximate figures have not been independently reconciled; item quantities, category costs, cash assistance, and any balance are not established.

Notes for publication
