May 2022 Community Cleanup — Financial Report Withdrawal Notice

FIELD	DETAIL
Project	May 2022 Community Cleanup
Reference	ADA/2022/004
Location	Buea, Cameroon
Period	May 2022
Status	Previous document withdrawn; revised record under review

Document status

The previous version of this document has been withdrawn because it described an incorrect activity and contained superseded financial and project details. Its mentorship narrative, participant count, budget, expenditure schedule, receipt claims, quantities, and outcomes must not be used as current project records.

A revised account of the May community cleanup and its financial breakdown is under review. This notice does not establish actual expenditure, item-level costs, or a remaining cash balance. The replacement will be published after review.

This PDF was rendered from the markdown source in `public/docs/projects/school-visit-mentorship-may-2022` using the same public generation pipeline that updates the downloadable budget sheets.
